This beautifully illustrated, inspirational guide to bird photography is packed with practical advice for how to photograph birds presented in an informative but accessible writing style. Creative Bird Photography offers a fresh approach to its subject, looking closely at how to photograph specific aspects of birds’ lives, such as eating and drinking, courtship, and flight. The author gives examples, demonstrating particular points and approaches for taking great shots of all of these daily bird activities as well as taking "mood" photographs at dawn and dusk. Each shot is accompanied by detailed technical data, information about locations, and advice about other challenges that will need to be surmounted in order to achieve the perfect shot. Coster also shares fasci-

nating anecdotes about his encounters with the birds featured. There are also up-to-date sections on bird photography basics, including equipment and storage of digital images.
