If you can build websites with CSS and JavaScript, this book takes you to the next level—creating dynamic, database-driven websites with PHP and MySQL. Learn how to build a database, manage your content, and interact with users. With step-by-step tutorials, this completely revised edition gets you started with expanded coverage of the basics and takes you deeper into the world of server-side programming. The important stuff you need to know: Get up to speed quickly. Learn how to install PHP and MySQL, and get them running on both your computer and a remote server. Gain new techniques. Take advantage of the all-new chapter on integrating PHP with HTML web pages. Manage your content. Use the file system to access user data, including images and other binary files. Make it dynamic. Create pages that change with each new viewing. Build a good database. Use MySQL to store user information and other data. Keep your site working. Master the tools for fixing things that go wrong. Control operations. Create an administrative interface to oversee your site.

Andrew McCarthy grows concerned for his family after he catches a young man, Zachary Denton, photographing his daughter, Grace McCarthy, and other children at a park. To his dismay, Zachary talks his way out of trouble when he's confronted by the police. He hopes that's the end of it. Then he finds Zachary at a diner and then at a grocery store. He knows their encounters aren't coincidences. And just as Andrew prepares to defend his family, Grace vanishes. As the police search stalls and the leads dry up, Andrew decides to take matters into his own hands. He starts by searching for sex offenders in the area and researching enhanced interrogation techniques... He convinces himself he'll do anything to rescue his daughter, unaware of the pure evil he'll face in his journey. He's willing to hurt-to torture-anyone to save his family. Jon Athan, the author of *Into the Wolves' Den* and *The Abuse of Ashley Collins*, delves into the underworld of internet predators in this disturbing horror novel. Are your children safe? **WARNING:** This book contains graphic content. Reader discretion is advised.

The book features diversity, equity, and inclusion (DEI) learning outcomes and assessments to acknowledging a range of differences and to embrace difference in the classroom.

"Dolvett offers a dieting trifecta: easy, effective, and friendly to cheaters. He helps trick your metabolism into cooperating with his rapid weight loss formula for success." --Mehmet Oz, M.D. Want to finally lose the weight and keep it off? Want to be able to eat the foods you love? Reaching your goals can only happen when you don't feel deprived and you continue to stay motivated. Now, celebrity trainer and star of the hit reality series *The Biggest Loser*, Dolvett Quince, tells you how to do all of that and more in his revolutionary program, *THE 3-1-2-1 DIET*. This 21-day program works by manipulating your body's natural tendency to slow its metabolic rate in response to calorie restriction. It takes a new approach to getting lean—one scientifically based on changing up food and calories to tap into your body's potential to burn fat. This unconventional plan results in greater muscle and less fat than any other diet you've ever tried. Dolvett's effective eating plan is as easy as 3-1-2-1: three days of clean eating, one day of cheating, two more days of clean eating, and one final reward meal at the end of the week. No foods are off limits and you will never feel deprived because the plan is flexible enough to fit into any lifestyle. You'll lose weight fast—10 pounds or more in just 21 days—and you won't plateau. Dolvett's simple meal plans and delicious, easy-to-prepare recipes, together with his fast and effective workouts that combine cardio and body-shaping moves, will have you back in your skinny jeans in less than three weeks!
