First course of treatment includes all methods of treatment recorded in the treatment plan and administered to the patient before disease progression or recurrence. In cancer treatment data regis-

tration, the date of the first course treatment is the month, day, and year of the first cancer-directed treatment that is administered.

### Cancer Treatment | SEER Training

Between hills or mountains, where there is a canyon or narrow valley, the wind will generally veer from its normal course and flow through the passage with increased velocity and turbulence. A pilot flying over such terrain needs to be alert for wind shifts, and particularly cautious if making a landing.
