by Huei-Huang Lee, NCKU, Taiwan ... It is suggested that, whenever a project file is needed to start up an exercise, you use a project file provided here, rather than your own finished project file, so that your numerical results would be more consistent with those in the textbook.

This page records my personal solutions to the textbook problems. As a mathematician, I strongly recommend any reader should "DO" these exercises "In Your Way" before read other guys' answers!! After solving the exercises, I also discuss on the connection between exercises and other known theorems or perspectives, for example, Exercise 5.16 in ...
