5DNS2L - TYRESE ISABEL

This is a difficult time to be a leader. The majority of employees are disengaged, their discretionary efforts tamed, passions for work fleeting, and ideas tethered. None of this needs to stop you. You can create a workplace where engagement, passion, and great work thrives. If you're someone's boss, whatever your level or role, you can use these trust essentials to: Cre-

ate your own Trust, Inc.—a thriving pocket where engagement and results flourish Be a trusted leader people work with, for, and around—with passion and enthusiasm Enhance your leadership future using “what--does-it-look-like?” approaches and “how--does-it-happen?” tips, exercises, and insights Don't let what you can't do affect what you can. Trust, Inc. gives you real-world ways to create, nurture, and sustain authentic trust in your work group.

Set My Heart on Fire will help readers to live in the fullness of the Holy Spirit, walk confidently in boldness, and break free from life-controlling bondage, habits, and generational tendencies. It is essential to remain in a state of spiritual intimacy and walk closely with God despite the many worldly distractions. This book will remind readers that the key to doing so is to nourish a close relationship with the Holy Spirit. This powerful teaching covers topics

such as: Seven roles of the Holy Spirit
Benefits of a prayer language
Why you need boldness
Learning to minister in the Spirit
Staying on fire in the dry seasons
God delivered Israel from Egyptian bondage to captivate them for Himself. In the arid wilderness He planned to reveal His nature and ways to them, but they drew back. How different are we today? Many confess the Lordship of Jesus and acknowledge His saving power, yet like Israel, they've drawn back. Rather than pursuing His heart they have cleaved to this world's form of worship—the worship of self. As a result we have changed the image of Jesus to be like us. Fire can alter these images. The fire we need is found in the Holiness of God. God is calling us to draw nearer still...to tremble on Mt. Zion...transformed to touch others.

This is a story of reinvention. Jim Whitehurst, celebrated president and CEO of one of the world's most revolutionary software companies, tells first-hand his journey from traditional manager (Delta Air Lines, Boston Consulting Group) and “chief” problem solver to CEO of one of the most open organizational environments he'd ever encountered. This chal-

lenging transition, and what Whitehurst learned in the interim, has paved the way for a new way of managing—one this modern leader sees as the only way companies will successfully function in the future. Whitehurst says beyond embracing the technology that has so far disrupted entire industries, companies must now adapt their management and organizational design to better fit the Information Age. His mantra? “Adapt or die.” Indeed, the successful company Whitehurst leads—the open source giant Red Hat—has become the organizational poster child for how to reboot, redesign, and reinvent an organization for a decentralized, digital age. Based on open source principles of transparency, participation, and collaboration, “open management” challenges conventional business ideas about what companies are, how they run, and how they make money. This book provides the blueprint for putting it into practice in your own firm. He covers challenges that have been missing from the conversation to date, among them: how to scale engagement; how to have healthy debates that net progress; and how to attract and keep the “Social Generation” of workers. Through a mix of vibrant

stories, candid lessons, and tested processes, Whitehurst shows how Red Hat has blown the traditional operating model to pieces by emerging out of a pure bottom up culture and learning how to execute it at scale. And he explains what other companies are, and need to be doing to bring this open style into all facets of the organization. By showing how to apply open source methods to everything from structure, management, and strategy to a firm's customer and partner relationships, leaders and teams will now have the tools needed to reach a new level of work. And with that new level of work comes unparalleled success. The Open Organization is your new resource for doing business differently. Get ready to make traditional management thinking obsolete.

This invaluable “mentor in your pocket” by three dynamic and successful black female executives will help all black women, at any level of their careers, play the power game—and win. Rich with wisdom, this practical gem focuses on the building blocks of true leadership—self-confidence, effective communication, collaboration, and courage—while dealing specifically

with stereotypes (avoid the Mammy Trap, and don't become the Angry Black Woman) and the perils of self-victimization (don't assume that every challenge occurs because you are black or female). Some leaders are born, but most leaders are made—and *The Little Black Book of Success* will show you how to make it to the top, one step at a time.

What does it take to fuel a faith that burns bright, no matter what? At different times in our spiritual journey, we may discover that we've somehow developed apathy toward the things of God. Instead of being fueled by spiritual passion, our faith seems to be running on autopilot—or maybe sputtering to a halt as we seek excuses to avoid spiritual engagement. Through this six-week study, your eyes will be opened to the things that can undermine our interest in the things of God, and you'll discover practical steps you can take to ignite a fire that will propel you toward a deeper, more meaningful faith.

Argues that the decline in reading by children in the United States is furthered by schools by focusing on test-taking and focusing solely on academic texts with guidance for educators on how to counteract

this trend.

Genius Hour provides educators with the tools that they need to successfully implement Genius Hour, or passion projects, in the classroom. Presented through an easy-to-follow six-step strategy, teachers will utilize the 6 P's—passion, plan, pitch, project, product, and presentation—as a map for students to follow as they create, design, and carry out projects. Students will experience personalized learning through these self-driven projects, application of standards and real-world skills, and opportunities to learn through failure and reflection. The book includes handouts, suggested online resources, and tips and tricks to make the Genius Hour process meaningful for students and manageable for educators, as well as a discussion of Genius Hour's importance and impact on gifted students as they take ownership of their own learning. 2019 Teachers' Choice Award for Professional Development Winner

Information and training are readily available on church growth, methodology, organization, business processes, and efficient management. All of these are important for effective ministry. But in *Igniting*

Passion in Your Church, author and pastor Steve Ayers addresses more critical matters for the church, such as: How can we help people in our church become fully devoted followers of Jesus? What does it mean for the church to be the bride of Christ? How can the church more clearly reflect God in the midst of a world that turns away from the divine? We must take people deeper. Deeper in their relationship with God. Deeper into the responsibility and blessing we enjoy as the church. Deeper into what it means to be the bride of Christ. Ayers challenges pastors and church leaders to ask themselves... Am I just flirting with the things of God, or am I truly and fully engaged with God? Have I taken seriously my covenant relationship with God? Have I determined that no matter what happens, I will live out God's mission and ministry? It's time to move the church beyond flitiation, beyond a superficial relationship with God. The church must assume her role as the totally committed bride God designed her to be. Live out the life of Christ. Show the world the reality of Christ through your life. Author Steve Ayers will inspire and equip you to guide your church to a deeper, more pas-

sionate relationship with Jesus. Book jacket.

"Amidst the clanging noise of today's technology, Steven Layne offers here a clear clarion call on behalf of reading to children. It is insightful, reasoned, entertaining (rare in the field), and carefully researched for those who might doubt the urgent need for something that doesn't need a Wi-Fi hot spot. It should be on every teacher's must-read list." -- Jim Trelease, author, *The Read-Aloud Handbook* As accountability measures for schools and teachers continue to grow, instructional practice is under the microscope. The practice of reading aloud to children may be viewed by some educators as an "extra"--a bit of fluff used solely for the purposes of enjoyment or filling a few spare minutes. But researchers and practitioners stand in solidarity: the practice of reading aloud throughout the grades is not only viable but also best practice. *In Defense of Read-Aloud* reinforces readers' confidence to continue the practice of reading aloud and presents the research base to defend the practice in grades K-12. Steven Layne also offers significant practical insights to strengthen instructional practice--answer-

ing the questions of "Why should we?" and "How should we?"--and provides practical advice about how to use read-alouds most effectively. Leading researchers in the field of literacy provide position statements, authors of professional books share insights on books they have loved, leaders of the largest literacy organizations in the United States write about their favorite read-alouds, award-winning authors of children's and young adult book (Katherine Paterson, Andrew Clements, Lois Lowry, to name a few) share the powerful behind-the-scenes stories of their greatest books, and real classroom teachers and librarians speak about books that have "lit up" their classrooms and libraries around the world. Last but not least, *In Defense of Read-Aloud* features many great recommendations of books to share with children. Read-aloud is an essential practice in teaching literacy in grades K-12. In this book, Steven Layne has provided everything needed to support, sustain, and celebrate the power of read-aloud.

From one of England's most celebrated writers, a funny and superbly observed novella about the Queen of England and the subversive power of reading When her

corgis stray into a mobile library parked near Buckingham Palace, the Queen feels duty-bound to borrow a book. Discovering the joy of reading widely (from J. R. Ackerley, Jean Genet, and Ivy Compton-Burnett to the classics) and intelligently, she finds that her view of the world changes dramatically. Abetted in her newfound obsession by Norman, a young man from the royal kitchens, the Queen comes to question the prescribed order of the world and loses patience with the routines of her role as monarch. Her new passion for reading initially alarms the palace staff and soon leads to surprising and very funny consequences for the country at large. With the poignant and mischievous wit of *The History Boys*, England's best loved author Alan Bennett revels in the power of literature to change even the most uncommon reader's life.

A dynamic guide to more than 100 books that will get kids talking and reading more. How do children become good readers? In *Reading Together*, educational consultant Diane W. Frankenstein shares the secret: guiding children to find an appropriate book and talking with them about the story helps them connect with what they read. This engaging guide shares advice

for parents, teachers, librarians, and caregivers on how to help children find what to read, and then through conversation, how to find meaning and pleasure in their reading. With more than 100 great book recommendations for kids from Pre-K through grade six, as well as related conversation starters, *Reading Together* offers a winning equation to turn children into lifelong readers. Some of the award-winning books discussed include Betty G. Birney's *World According to Humphrey*, Jennifer Choldenko's *Notes from a Liar and Her Dog*, and David Shannon's *Bad Case of Stripes*.

Is spiritual passion something you know you need more of but don't have the time or energy to work for? Spiritual passion is not another "to do" on your task list. It's the fire that keeps you going to complete your tasks and to do so with godly perspective and wisdom. Spiritual passion is what fuels us for life's journey as well as daily struggles. But such power can only be sparked and spread through growing intimately familiar with the God through His Word. In her book, *Ablaze*, Pam Gillaspie challenges us to a life commitment to reading God's Word and gives practical, down-

to-earth techniques to overcome the obstacles keeping us from doing so. Through this book, Gillaspie becomes our coach, encouraging us to keep pursuing God in His Word and thereby experiencing a heart set ablaze for more and more of Him. "God's Book changes lives, and *Ablaze* will simply and gently guide you to it." Kay Arthur, *Prec*

In the bestselling tradition of Brene Brown's *Daring Greatly* and Nick Vujicic's *Life Without Limits* comes a rousing 7-step plan for living a life on fire, filled with hope and possibility—from an inspirational speaker who survived a near-fatal fire at the age of nine and now runs a successful business inspiring people all around the world. When John O'Leary was nine years old, he was almost killed in a devastating house fire. With burns on one hundred percent of his body, O'Leary mustered an almost unimaginable amount of inner strength just to survive the ordeal. The insights he gained through this experience and the heroes who stepped into his life to help him through the journey—his family, the medical staff, and total strangers—changed his life. Now he is committed to living life to the fullest and inspiring

others to do the same. An incredible and emotionally honest account of triumph over tragedy, *On Fire* contains O'Leary's reflections on being that little boy, the life-giving choices made then, and the resulting lessons he learned. O'Leary very clearly shares that without the right people providing the right guidance, at the right time, he never would have made it through those five months in the hospital, let alone the years that followed as he struggled to regain mobility, embrace his story, and ignite clarity of his life's purpose. *On Fire* encourages us to seize the power to choose our path and transform our lives from mundane to extraordinary. Once we stop thinking solely on the big moments in our lives, we can begin to focus on those smaller opportunities that tend to pass us by. These are the events—the inflection points in our lives—that can determine how we feel about life now, where we are headed in the future, and how many lives we can impact along the way. We can't always choose the path we walk, but we can choose how we walk it. Empowering, inspiring, remarkably honest, and heartfelt, O'Leary's strength and incredible spirit shine through on every

page.

Would you like to ignite the inquisitive nature of your students? Igniting You Genius is designed to help any learner explore creativity and imagination through original questions. By examining unconsciously held worldviews, students, teachers, and administrators will break out of their reticence to think 'outside of the box.' An excellent resource to use for organizational retreats or to locate meeting icebreakers, this is the tool for tackling any situation demanding an expansion of learning horizons.

Do you want to become great at motivating others? Would you like to learn how to ignite passion and performance in your life and the lives of those around you? With this book, you can learn to energize yourself. Energize others. Inspire change. Positive change is now more than a feel-good concept. It is a process of transformation that uses decades of scientific research to increase confidence, calm fears, energize passion, and motivate others. Positive change consultant Bob Faw has turned these scientific insights into usable tools. He has already taught thousands of people around the world how to ignite passion for

goals, involve people in meaningful ways, and inspire action for change. Now, his proven strategies are available in this engaging, practical guide for organizations and individuals. Leaders can use his principles to motivate their teams, create a positive environment, and influence others. Become the best you can be by replacing the old, limiting stories playing in your head with positive "inner movies" that inspire you daily. Rewrite your "inner autobiography" to broaden your horizons and increase confidence. Bob's advice will engage your brain in new and powerful ways. Bob will help you energize the way you think and then take the steps to enact change.

"Odyssey-like adventure of two boys' incredible quest on the Appalachian Trail where they deal with pirates, buried secrets, and extraordinary encounters"--

A collection of sixty classic and contemporary essays, stories, lists, poems, quotations, and cartoons that celebrates the joys of reading, the feeling of spending hours browsing through a bookstore, and the people for whom buying books is a necessity. Booklovers will find themselves in

good company within the pages of A Passion for Books, beginning with science-fiction great Ray Bradbury's foreword and throughout contributions like-- Umberto Eco's How to Justify a Private Library, dealing with the question everyone with a sizable library is inevitably asked: "Have you read all these books?"; Gustave Flaubert's Bibliomania, the tale of a book collector so obsessed with owning a book that he is willing to kill to possess it; and Anna Quindlen's How Reading Changed My Life, in which she shares her optimistic view on the role of reading and the future of books in the computer age. Interspersed throughout are entertaining lists--Ten Bestselling Books Rejected by Publishers Twenty Times or More, Norman Mailer's Ten Favorite American Novels and many more--plus select writings on bookstores, book clubs, cartoons about books and a specially prepared "bibliobibliography" of books about books. Whether you consider yourself a bibliomaniac or just someone who enjoys reading, A Passion for Books will provide you with a lifetime's worth of entertaining, informative, and pleasurable reading on your favorite subject--the love of books.

Steve Layne shows teachers practical ways to engage and inspire readers from kindergarten through high school, to develop readers who are not only motivated to read great books, but also love reading in its own right. --from publisher description

Love breaks through defenses and destroys walls that divide us. Love demands more of you and me than we often want to give. It's easy to love a lovely person, but what about...them? What about that stereotype, that race, that person or group of people in a political, cultural, or socioeconomic class who don't behave like you, don't believe like you, and if you are honest...make you uncomfortable? What is love in this context? We read that Jesus broke boundaries to love the people that many detested. His love was transformative because His love saw past disagreement, indifference, and offense. Loving them? Like this? That's hard. If you consider yourself a Christian, then love should be your primary characteristic. But it seems that division defines us in our society where rage and anger abound. Today, many people see Christians as angry followers of God who are more interested in winning political arguments than loving

people. If we say we follow Jesus but are not loving like Him, then what's the point? There is a better way. Using the incredible story of how Pastor Choco chose to "love them anyway" to transform the crime-ridden community of Humboldt Park in Chicago, *Love Them Anyway* will inspire you to love in a way you never have. This book will pave a compelling path for you to both express and experience a truly transformative love on a deep level. It will tap into your deepest desires, expose your hesitations, connect you deeper with God's love, and help you take bold steps to love the people around you—and your love will change lives. When you learn to *Love Them Anyway*, your passion will be redirected, your purpose will be refined, and you will see God use you in ways you could never have imagined. Love is hard. It's not convenient, and it's not always safe. But love is beautiful. Love is contagious. It breaks through defenses and destroys walls that divide us. Love is the answer. So, love them anyway. Redirect your passion, refine your purpose, and see God use you in ways you never imagined.

Do you know there is something more to

life but haven't pinpointed it yet? Are you seeking greater fulfillment and satisfaction in your career and life in general? Are you staying in your job because you're afraid to step out and try something new? If you're stuck, disengaged, uninspired, or simply lacking vision, then this inspirational new guide could help change your life. Following internationally recognized leadership and self-development coach Anne I. Rose's personal course, *Ignite!* will help you take the first steps down the path toward a better life. Designed to help readers achieve sustainable change in their lives, this powerful resource will introduce you to a journey of exploration that leads to the rediscovery of the real you. Whether you're looking to change your situation, relationships, decision-making, or career, this life-changing guide can help you own your life and personally begin to shape its outcome. *Ignite!* can help transform you into a better leader. An easy-to-read, how-to book for imparting self-coaching leadership skills, this tremendous resource provides readers with a guided journey toward self-discovery. With each new chapter building upon the last, this enlightening collection of life lessons is designed

to lead you to the creation of a personal definition of "self." With the power to help the reader profoundly change multiple areas of their lives, Ignite! emerges as a must-read for anyone looking to make a positive impact in their turn on this planet. Inspired by the urge to help as many people as possible, Ignite! is meant to provide a roadmap to follow on your personal path of discovery. Based on Rose's acclaimed leadership and self-development courses, the guide provides readers all over the world with powerful, enlightening information that is drawn from a range of highly successful coaching tools and proven training methods. This illuminating guide establishes an introspective foundation that will ultimately result in improved leadership skills and a more fulfilling life. Full of meticulously crafted, practiced, and refined exercises meant to guide readers along their path, this inspirational book uses one-of-a-kind, proven activities to guide readers along their path. The truly life-changing power of this fantastic resource must be experienced to be believed.

More information to be announced soon on this forthcoming title from Penguin USA

When teachers talk about what they want

for students, "a love for reading" is inevitably near the top of the list. Even as they work to ensure students' continuing progress as readers, what ignites passion more than anything is the chance to instill confidence, curiosity, and joy in students. In Reading Wellness, Jan Burkins and Kim Yaris will remind you why you became a teacher in the first place. They want children and teachers to thrive as readers, to feel the deep satisfaction that comes with meaningful encounters with texts. They define reading wellness as "weaving together all the facets of our reading lives . . . so that we can be our best reading selves." Readers read for relaxation, for information, and for aesthetic experience, discovering favorite books and authors and learning to choose texts. For this to happen, teachers must teach in ways that create energy and enthusiasm for reading, even as they teach to required standards. Built around a framework of four intention--alignment, balance, sustainability, and joy--Reading Wellness offers teachers a series of lessons that help children read closely and carefully while still honoring their interests, passions, and agency as readers. The lessons here, which have

been field-tested in grades 1-5, are interconnected and empower classroom communities, are filled with anecdotes and insights, and are practical, sustainable, and frequently joyful. Reading Wellness encourages each teacher to shape these ideas in ways that support personal ideals and goals while nurturing a love of reading and a passion for lifelong learning.

Do you need parenting advice on how to inspire your child to love learning? Whether you homeschool or send your kids to public or private school, this is essential reading for your situation. Why? Because schooling has become a disaster. Your child's interests and uniqueness are disregarded, and structured curriculum and standards like Common Core place them on a conveyor belt that treats all children the same. This system crushes a child's curiosity. Your child deserves better! There is a better way: one that ensures your child sees learning as a joy and provides you, the parent, with a much less stressful way to educate and empower your son or daughter. In this book, Connor Boyack shares the exciting philosophy and empowering day-to-day steps involved in passion--driven education. A child's curiosity and na-

tural desire to learn are like a tiny flame, easily extinguished unless it's protected and given fuel. This book will help you as a parent both protect that flame of curiosity and supply it with the fuel necessary to make it burn bright throughout your child's life. Let's ignite our children's natural love of learning! Five Things Discussed in the Book What's the problem with schools? Whether public, private, or "home," schooling is structured in a way that has significant negative outcomes for children academically, psychologically, and emotionally. To understand the solutions, you first need to review these problems. What's your goal? Too many parents simply send their children to school out of ritual and expectation, without thinking about the end result. Caring parents must ponder the outcomes of education and what they want their children to become. Once goals are established, we can make a plan. I need solutions! It's easy to point out problems with schooling. It's more important that we review serious and attainable solutions that can help you educate your child and preserve (or restore) their natural love of learning. What are the alternatives? If schools are inherently problematic and

crush a child's curiosity, what can be done? We'll review several differing approaches to education that incorporate some of the solutions listed earlier. Passion-driven education The best way to educate a child is to speak to them in a language they already understand, using their personal interests as a "hook" to make other subjects interesting and relevant. We'll review some examples and then give you an action plan.

The complex workings of the human body are explored in many books that define and explain human anatomy. But many people have problems finding answers to questions about the complicated world of medical specialists and other healthcare givers. How can the need for this information be met? *Doctors and Company: A Dictionary of Healthcare Givers* provides concise, easily understood definitions that clear up the confusion about what various medical specialists, nurses, dentists, alternative medicine practitioners, and other professionals do. This book provides information on choosing a doctor and dentist, and on alternative medicine. It includes a subject list of doctors and other health

care givers and a selected bibliography. In addition, the phonetic pronunciation for each entry is provided and definitions of medical terms appear throughout the text. *Doctors and Company* is a quick reference source for anyone in need of uncomplicated answers about the health care community.

Readers ready to stop the blame game and pursue the marriage of your dreams can let authors Shannon and Greg Ethridge show them how to reignite their relationship with spiritual, emotional, and physical passion.

Jumpstart Your Career and Personal Life! The key to achieving true success in life is to master that delicate balance between making money and making meaning. Marketing executive and best selling author, Robert Michael Fried, shows how the same principles you use to accomplish success at work can also help you realize your personal goals, dreams and aspirations. Fried provides a practical yet passionately purpose-driven roadmap that will enable you to heed your true calling to become a truly successful person in every sense of the word. The author underscores that true success goes beyond just getting what you

want... it's also wanting what you get. Igniting Your True Purpose and Passion will take you on an uplifting journey of self-discovery. It will empower you to re-invent your personal brand and close the disparity or gap between who you are and who you dream of becoming. The book urges you to make it your business to ignite your true purpose and passion while seizing the opportunity to become an entrepreneur of your own existence. Built upon and expanded from his best-selling book, A Marketing Plan For Life, the author reminds us that the purpose of life should be a life of purpose. In emphasizing his philosophy, Fried writes, "I'll tell you what unhappiness is... unhappiness is not knowing what you want and killing yourself to get it." This insightful and thought-provoking read will not only inspire you to clearly define what you want but it will help you make both meaning and money - not just for yourself but for others. That's what Ralph Waldo Emerson meant when he said, "To know that even one life has breathed easier because you have lived - that is to have succeeded."

Reading the Bible is a necessity. That's not news. Christians know that reading the Bi-

ble gives fullness and value to a life of faith. But studying the wisdom of the Word of God is a daunting task. Ryan Dalgliesh gives new life to the study of the Bible, showing in fresh and simple terms the power that the Bible can bring. You can be enthusiastic about getting to know God. Not Mere Words will show you how.

Presents strategies for getting students to read, and offers advice on building a school culture around a love of reading, helping students deepen their understanding of what they read, and balancing independent reading and text study.

A guide to help men keep their love life fresh and challenging reveals what women really want from a relationship and gives suggestions for developing true intimacy and lasting happiness. Reprint.

On Fire at Work flies in the face of other books on workplace culture by showing that employee engagement isn't the ultimate goal—it is merely the starting point. Renowned leadership expert Eric Chester has gone straight to the source—top-tier leaders of the world's best places to work to uncover their best practice strategies for getting employees to work harder, per-

form better, and stay longer. On Fire at Work features examples and original stories from exclusive personal interviews with over 25 founders/CEOs/presidents of companies like Marriott, Siemens, BB&T Bank, Wegmans, 7-Eleven, Hormel, Canadian WestJet, Ben & Jerry's, and The Container Store, along with smaller companies like Firehouse Subs, the Nerdery, and Build-A-Bear. The guiding principle is that any organization in any industry—from Fortune 500 firms to mom-and-pop shops—can learn how to bring out the very best in their employees. The book's content-rich research and conversational case study-based narrative make it a timely, actionable go-to reference on employee performance and productivity for C-level execs, corporate and government managers, HR professionals, and small business owners. On Fire at Work is a practical field guide that any organization can implement to build, not an engaged workforce, but a workforce that is on fire!

Provides teachers with guidance on creating not only skilled readers but children who enjoy reading both inside and outside of the classroom.

DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, *Reading Like a Writer* will inspire readers to return to literature with a fresh eye and an eager heart – to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O’Connor for the cunning use of the telling detail; to be inspired by Emily Brontë’s structural nuance and Charles Dickens’s deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading.

/div

Nothing provided

Filled with the kind of contagious energy and upbeat attitude that has made Frank Pacetta one of America's most popular motivational speakers, this unique book is for

anyone who wants a difference in the workplace. Whatever the occupation, organization, or industry, here are tried and tested solutions, techniques, rules and tactics that get the job done right. Whether you're a manager fed up with your worker's hohum attitude or an individual who can't seem to live up to your potential no matter how hard you try, this book will give you ideas that can put into immediate action -- a no-fail formula for ending the whining and instilling in yourself and your employees a winning spirit.

How do we inspire students to love reading and discovery? In *Passionate Readers: The Art of Reaching and Engaging Every Child*, classroom teacher, author, and speaker Pernille Ripp reveals the five keys to creating a passionate reading environment. You'll learn how to... Use your own reading identity to create powerful reading experiences for all students Empower your students and their reading experience by focusing on your physical classroom environment Create and maintain an enticing, well-organized, easy-to-use classroom library; Build a learning community filled with choice and student ownership; and Guide students to further develop their

own reading identity to cement them as life-long, invested readers. Throughout the book, Pernille opens up about her own trials and errors as a teacher and what she’s learned along the way. She also shares a wide variety of practical tools that you can use in your own classroom, including a reader profile sheet, conferring sheet, classroom library letter to parents, and much more. These tools are available in the book and as eResources to help you build your own classroom of passionate readers.

"Fear and faith cannot exist in the same space."

ECPA BESTSELLER - The New York Times best-selling sports star and media icon motivates readers to stop postponing dreams and start making them happen now because--this is the day. Beyond Tim Tebow's exploits as a Heisman-winning football player, he is widely known and respected for his exemplary character and personal excellence, which have made him a role model for millions. When Tim interacts with the public, he often encounters people who feel "stuck"--unable to take action on matters ranging from daily life to pursu-

ing lifelong dreams. In response, Tim often identifies a crippling fear or lack of courage, to which he advises: "now is the time to take some risks, to quiet the voices of defeat, to step forward and make a mark, because this is the day." In this inspiring, motivational book, readers will receive the advice and encouragement to daily move from "pause" to "play" in finding deeper meaning and success. Tim illustrates the book's themes with stories from his personal life that will delight all readers, including his an update on his dream pursuit of a baseball career.

The James Beard Award-winning founder of Milk Bar and host of Bake Squad shares her personal stories and wisdom for igniting passion, following your joy, and creating a satisfying life. Dessert connects us heart-to-heart like almost nothing else. It brings us together in good times and bad, celebration and solace. It marks big and

small milestones and creates memories of comfort and joy. And Christina Tosi, the founder and CEO of Milk Bar, believes it can save the world. Does the combination of sugar, flour, and butter have some magical ability to fix all the craziness of our modern existence? Of course not. Tosi knows a cookie is just a cookie—but bringing the joy a cookie holds into every area of your life most definitely can. The spirit of dessert—the relentless, unflinching commitment to finding or creating joy even when joy feels hard to come by—is what can save us. And then we, in turn, can each save the world. Tosi shares the wisdom she learned growing up surrounded by strong women who showed her baking's ability to harness love and create connection, as well as personal stories about succeeding in the highly competitive food world by unapologetically being her true self. Studded with personal and unortho-

dox recipes, Dessert Can Save the World reveals the secret ingredients for transforming our outlooks, our relationships, our work, and our entire collective existence into something boldly optimistic and stubbornly joyful.

God is a consuming fire. He calls out to us, inviting us into a passionate relationship with Him. Across the Church, there is a growing sense of dissatisfaction with religion, and an increasing desire for greater intimacy with God and purpose in living. Living with such intimacy and purpose is not an unobtainable dream. In Passion and Fire, Nathan Shaw communicates God's love for us and describes what an on-going encounter with God can be like. He explains how our relationship with God can fuel our love for others and enable us to reach out beyond our boundaries. Passion and Fire is an inspiring book that will ignite your desire for God.
