In the Courts of the Sun is an interesting novel, built Frankenstein's-monster-like from the elements of a Michael Crichton techno-thriller, Gary Jennings' Aztec series, and one of Stephen Baxter's unique spins on time travel. I enjoyed the book, but it's uneven.

In the Courts of the Sun, the first book of The Sacrifice Game . trilogy, was published by Dutton in the U.S. on March 26th, 2009. First three chapters — German edition — promotional brochure — some early responses — interviews — bibliography — illustrations and models — donations

In the Courts of the Sun by Brian D'Amato In the Courts of the Sun by Brian D'Amato is a unique doomsday thriller as well as a story of time travel. It's based on actual Mayan prophecy. D'Amato's writing is vivid and filled with technical detail and portraits of Mayan life and rituals.
