Revenant (Lords of Deliverance #6)(84) Larissa Ione "Don't," Revenant warned, but the muley glare Blaspheme gave him said she was determined to spill the beans.

Revenant is a Romance novel by Larissa Ione, Revenant read online free from your computer and Smartphone, Mobile... at Novel1s.com

Sixth in the Lords of Deliverance subseries and eleventh in the Demonica overall series. The subseries revolves around the Four Horsemen and their families, including their finally revealed father and his, ahem, encumbrances.

Revenant didn't have time to brace himself before the Dark Lord, who had mutated into a wet, blackened, skeleton-like beast, had him pinned to the wall. Satan's claws dug deep into Revenant's rib cage, and pain rocked him hard as his blood pumped in thick spurts onto Satan's bony chest.

Revenant Lords Of Deliverance 6

Sure enough, Revenant was sauntering down the hall, his long legs eating up the distance, his black leather coat flapping around his boots, his predatory gaze fixed on her. Geez, he was punctual. Yesterday she'd told him to come back tomorrow, and here he was, six o'clock in the morning, all bright-eyed and bushy-tailed.

#Review ~ Revenant (Lords of Deliverance #6) by Larissa ...

Revenant heard Reaver's scream of agony even over his own hoarse cry. His skin blistered and peeled, layer upon layer, until he could see his own bones peeking out from charred muscle. The Dark Lord's giant fist, now the size of a Volkswagen, swiped Revenant aside as if he were a mere fly. For five thousand years, Revenant believed he was alone in the world, a fallen angel beyond any redemption. Now he finds he has a twin brother who had all the light and love Revenant was denied.

Revenant Lords Of Deliverance 6

So it's time to say goodbye to the Lords of Deliverance and Revenant is a fitting end. It's not my favourite of the series, I really don't think anything will beat Reaver but I did enjoy it. I think the main problem with waiting a year between books is that I tend to build it up in my head and try and figure out what way it will go.
