CTM6RY - ATKINSON CALLAHAN

Spanning more than two centuries in Ireland, Castle on the Rise unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend’s vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they’d imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newly-weds to the groom’s home in Ireland—never expecting she’d be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle’s lady of legend, fighting for survival through the 1798 rebellion that started it all. Praise for Castle on the Rise: “Enchanting and mesmerizing!” —PATTI CALLAHAN, New York Times bestselling author of Becoming Mrs. Lewis “Castle on the Rise perfectly showcases rising star Kristy Cambron’s amazing talent! Perfect pacing, lovely prose, and an intricate plot blend together in a delightful novel I couldn’t put down. Highly recommended!” —Colleen Coble, USA TODAY bestselling author of Secrets at Cedar Cabin and the Rock Harbor series “Cambron’s latest is one of her best. Gripping and epic, this intricately woven tale of three generations seeking truth and justice will stay with you long after the last page.” —Rachel Hauck, New York Times bestselling author Second in the Lost Castle series (The Lost Castle, Castle on the Rise, The Painted Castle) Can be read as a stand-alone, but best if read in order Sweet romance set in three time periods: present day, World War I/Easter Rising, and late 1700s Full-length novel (over 110,000 words) This book is for team members and managers who use Microsoft Project Server 2010 to collaborate on projects by entering progress on tasks, contributing to Project sites, and accessing views and data in the system. If you dont expect your team members and executives to crawl though large books to find the golden nuggets they need to use the software effectively, give them this book instead--it focuses on this audience in a concise and compact presentation. After four generations of Project Server, this remains the only book specifically tailored for this group.

Create action-packed 3D games with the Microsoft XNA Framework.

This unique A-Z guide to central heating wiring systems provides a comprehensive reference manual for hundreds of items of heating and control equipment, making it an indispensable handbook for electricians and installers across the country. The book provides comprehensive coverage of wiring and technical specifications, and now includes increased coverage of combination boilers, recently developed control features and SEDBUK (Seasonal Efficiency of Domestic Boilers in the UK) boilers ratings, where known. In addition to providing concise details of nearly 500 different boilers fuelled by electric, gas, oil and solid fuel, and over 400 programmers and time switches, this invaluable resource also features numerous easy-to-understand wiring diagrams with notes on all definitive systems. Brief component descriptions are provided, along with updated contact and website details for most major manufacturers. Ray Ward has spent over 20 years as a specialist in the field of wiring domestic central heating systems and the knowledge he has gained from hands-on experience and staff training is now brought together in this comprehensive handbook.

video context analysis, interactive Swarms, particle swarm optimization, multi-target tracking, social behavior, crowded scenes, abnormality detection, visual surveillance, manifold embedding, crowd analysis, spatio-temporal Laplacian Eigenmap

Love can be blinding and by the time the truth shines through, it's to late to escape. Fame.Fortune.Success.Is that too much to ask?All I need is to catch a break. To snag the attention of someone important. Someone who can help make my career everything I want it to be.Joseph was that man. Until the night the lights went out and I left with someone else. Someone who stole my breath and made me want for things I'd never considered before. I should have known better than to trust a stranger. Especially one of his stature and class. Money means power and power means control.Over my heart.My career.My entire life.My dreams died the moment I agreed to his terms and a new chapter in my life began. I was blinded by my love for him and thought nothing would ever change the way I felt.Then I uncovered the truth about him. About the kind of man he really was and the secrets he paid good money to keep hidden from everyone.Now I'm trapped, with no way out. Book 1 of 2 in the Storm Series.

She’s running for her life. He’s the safe haven she never expected to find. The holiday season is about to get HOT. Hiding out for the holiday season in the heart of the South? Not something that Haley Quick ever expected to have on her to-do list but then...she never expected her ex to want her dead, either. Turns out, life is full of surprises. Time to deal. Haley has ditched New York for a crazy little dot on the map known as Point Hope, Alabama. It’s a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her very much Grinch-self. But enter sexy sheriff Spencer Lane...Tall, muscled, and made with an extra dose of sex appeal, he is exactly the kind of man that Haley should be avoiding. He’s charming, he looks way too good in a Santa hat, and, oh, yes, he’s her new landlord. The hits just keep coming. She can’t afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It’s purely a business relationship. Except...the holidays in the South sure do get HOT. Or maybe that’s just sexy Spencer. Usually, Haley falls for the bad guy. It’s the whole reason she’s running for her life. She can’t help but wonder...What would it be like to fall for a man like Spencer? He just got his Christmas wish. Sheriff Spencer Lane can’t believe his luck. The most beautiful, fascinating woman he’s ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that’s a role that he’s happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her. Not in his town.

Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of wild elves, and a stalker ex don’t make for the merriest of times, but in Point Hope, anything can happen—and it usually does. Ready for a steamy story that will get you in the ho-ho-ho spirit? Settle back, curl up with Spencer, and have yourself a jolly old time.

In Clues in the Calico Barbara Brackman unveils a much-needed system for dating America’s heirloom quilts. She tells how, by collecting and observing quilts and finally analyzing her computer file on close to 900 date-inscribed specimens, she arrived at the system. And through this telling she also imparts a colorful, stunningly illustrated history of quilting along with a good bit of entertaining social history and the newest findings in textile research.

To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I’ve ever met in my life. I know you think that you’re God’s gift to women, but I have a secret to let you in on: you’re not. You’re God’s gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you’re not all that. Just because you have an Ivy league education doesn’t mean you’re the smartest man in the world. In fact, I’m not even sure if you would have gotten in if you didn’t have rich parents. Yes, I went there. Every woman doesn’t want to sleep with you and I’m sure you’re not even good in bed. And I’m someone that would know. From, Your Secret Not Admirer

It’s a summer internship. Never mind that the owners are hot. Never mind that there are three of them. Never mind that they are twice her age. Never mind that they have a secret “play” room in the basement. Never mind that she’s never been more intrigued in her life. She only has three months. No matter how deeply she gets involved, she can’t stay...

Eliza Knight's bestselling Scottish historical romance series, The Stolen Bride Series, is back with another amazing tale of adventure, passion and love! Ceana Montgomery had notions of marrying for love after her first disastrous marriage ended in widowhood. But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to please the edicts of men. And while the braw warrior standing before her might incite feelings inside her she thought long since buried, desire is a far cry from love.The rivalry between Brochan Lamont and his twin brother, John, began in the womb, and only grew worse from there. They were pitted against each other in childhood, and their father left them with a legacy that was a race to the finish-whoever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and his brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire.Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it possible that love can be forged from a union born in alliance? Maybe Fate knew all along just who was meant for who...

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys’ killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

The Student Support Edition of Basic College Mathematics, 8/e, brings comprehensive study skills support to students and the latest technology tools to instructors. In addition, the program now includes concept and vocabulary review material, assignment tracking and time management resources, and practice exercises and online homework to enhance student learning and instruction. With its interactive, objective-based approach, Basic College Mathematics provides comprehensive, mathematically sound coverage of topics essential to the basic college math course. The Eighth Edition features chapter-opening Prep Tests, real-world applications, and a fresh design—all of which engage students and help them succeed in the course. The Aufmann Interactive Method (AIM) is incorporated throughout the text, ensuring that students interact with and master concepts as they are presented. This Treatment Improvement Protocol (TIP), Clinical Guidelines for the Use of Buprenorphine in the Treatment of Opioid Addiction, provides consensus- and evidence-based treatment guidance for the use of buprenorphine, a new option for the treatment of opioid addiction. The goal of this TIP is to provide physicians with information they can use to make practical and informed decisions about the use of buprenorphine to treat opioid addic-

tion. These guidelines address the pharmacology and physiology of opioids, opioid addiction, and treatment with buprenorphine; describe patient assessment and the choice of opioid addiction treatment options; provide detailed treatment protocols for opioid withdrawal and maintenance therapy with buprenorphine; and include information on the treatment of special populations, e.g., pregnant women, adolescents, and polysubstance users. This TIP represents another step by the Center for Substance Abuse Treatment...

"A sweet, sexy read, featuring a couple that feels both true-to-life and aspirational." Kirkus Review, Starred Review American Angie Donovan has never wanted much. When you grow up getting bounced from foster home to foster home, you learn not to become attached to anything, anyone, or any place. But it only took her two days to fall in love with Australia. With her visa clock ticking, surely she can fall in love with an Australian—and get hitched—in two months. Especially if he's as hot and funny as her next-door neighbor... Jace Walters has never wanted much—except a bathroom he didn't have to share. The last cookie all to himself. And solitude. But when you grow up in a family of seven, you can kiss those things goodbye. He's finally living alone and working on his syndicated comic strip in privacy. Sure, his American neighbor is distractingly sexy and annoyingly nosy, but she'll be gone in a few months... Except now she's determined to find her perfect match by checking out every eligible male in the town, and her choices are even more distracting. So why does it suddenly feel like he—and his obnoxious tight-knit family, and even these two wayward dogs—could be exactly what she needs? Each book in the Patterson's Bluff series is STANDALONE: * The Aussie Next Door * Her Aussie Holiday Learning that Hazel Marie is pregnant with twins and that the father, private investigator J. D. Pickens, has left town, Miss Julia summons the wayward man to solve a local theft in the hopes of reuniting the couple. By the author of Miss Julia Paints the Town.

"This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, *The Widow Waltz* explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, "What is family, really?"

A quiet rural community is dramatically changed when a meteor crashes down in the front yard of the Gaw family.

Appropriate for all basic-to-intermediate level courses in Visual Basic 2008 programming. Created by world-renowned programming instructors Paul and Harvey Deitel, *Visual Basic 2008 How to Program, Fourth Edition* introduces all facets of the Visual Basic 2008 language hands-on, through hundreds of working programs. This book has been thoroughly updated to reflect the major innovations Microsoft has incorporated in Visual Basic 2008 and .NET 3.5; all discussions and sample code have been carefully audited against the newest Visual Basic language specification. The many new platform features covered in depth in this edition include: LINQ data queries, Windows Presentation Foundation (WPF), ASP.NET Ajax and the Microsoft Ajax Library, Silverlight-based rich Internet application development, and creating Web services with Windows Communication Foundation (WCF). New language features introduced in this edition: object anonymous types, object initializers, implicitly typed local variables and arrays, delegates, lambda expressions, and extension methods. Students begin by getting comfortable with the free Visual Basic Express 2008 IDE and basic VB syntax included on the CD. Next, they build their skills one step at a time, mastering control structures, classes, objects, methods, variables, arrays, and the core techniques of object-oriented programming. With this strong foundation in place, the Deitels introduce more sophisticated techniques, including inheritance, polymorphism, exception handling, strings, GUI's, data structures, generics, and collections. Throughout, the authors show developers how to make the most of Microsoft's Visual Studio tools. A series of appendices provide essential programming reference material on topics ranging from number systems to the Visual Studio Debugger, UML 2 to Unicode and ASCII.

Godsmack's founder and front man Sully Erna has been immersed in the world of rock ever since he got his first drum set. Given his achievements, that early start might suggest that his career was a straight shot to the top. The truth is, Erna took so many detours during the years between his first

instrument and Godsmack's first contract that, more than once, he nearly forgot his destination. In *The Paths We Choose*, he relates the turbulent story of his life before the platinum albums and packed arenas. Sully's story shows us that whatever hardship we may face, ultimately, our choices determine our destiny. He's made the most of every advantage and obstacle he has faced, and reminds us that we can, too. For Sully, success is not an ultimate destination. Every day brings a new fork in the road, another path to choose

A *Discovery of Witches* meets *Twilight* in this mesmerizing paranormal romance... Naomi Feldman has never understood the strange energy that hums beneath her senses. But when she comes across an ancient artifact that seems to beckon to her, she may finally find the answers she's been seeking. Alaric, a centuries-old vampire, lives a solitary life by choice. When he's assigned to protect Naomi, long dormant emotions stir to life. Pursued by a dangerous enemy and battling their growing attraction, Naomi and Alaric follow the mystery of the artifact from the museums of Athens, the streets of London, toward a confrontation that will decide the fate of two worlds... Fans of Charlaine Harris, Deborah Harkness, and Karen Marie Moning will love the *Descendants* series, where urban fantasy and paranormal romance collide. For a limited time, grab your copy of this series bundle deal at a discount compared to purchasing the individual books.

From G.I. Joe to the X-Men nothing has fueled more hours of childhood fun than action figures, but the excitement of action figures also drives one of the largest growing areas in toy collecting. This pocket-sized guide with its 250+ stunning color photos and up-to-date values gives collectors a handy and reliable resource. This action-packed field guide: –Offers collectors looking to buy or sell in the more than 110,000 online action figure auctions easy access to identification and value information –Provides collectors with detailed color photos, identifying descriptions and history on some of the great action figure toys –Allows experienced collectors to easily introduce their favorite hobby to would-be collectors –Just like the action figures, there's nothing small about the details collectors will find in this reference.

Provides an overall introduction to the welding process, illustrating most of the common equipment and work techniques for both the home and shop welding.

Common skin conditions are easy to diagnose and treat with the new third edition of *Clinical Dermatology Illustrated: A Regional Approach*. Organized by anatomic region, the authors provide an in-depth discussion of 75 skin conditions and growths. Each monograph contains Clinical and Treatment sections as well as full-color photographs.

The *Bad Boy Series* Collection I've been in love with Hunter Saint my entire life. He was my first love and the one I could never forget. Then Fate intervened and we became enemies. Now, I must go to Hunter on my hands and knees to beg him to save my brother's life. I'll pay any price to save him. I'll do anything Hunter wants. Anything... The *Bad Boy Series* by S. E. Lund's is a sexy new novella series, featuring a bad boy with a heart of gold and a heroine who can't get him out of her life or her heart. When Fate forces them back together again, can they deny what has long simmered between them?

This was my first book and a true labor of love. I spent decades studying steam and the work of Dead Men, in both old buildings and on library shelves. I traveled the country, haunting used-book stores, looking for engineering books that held the answers to questions that nagged at me. I was obsessed with this topic, and when I finally sat to write, I poured all that I had learned into this book, and as I wrote, I tried my best to make the words sound good to you - like we were together and having a conversation. I wanted you to know what I know and I wanted you to be able to do what I can do when it comes to old steam systems. This book arrived in 1992 and has since gone through dozens of printings. We've sold it in every state as well as in foreign countries. Steam heat is everywhere there are old buildings, so why shouldn't you be the one with the answers? Dan Holohan

More than ever, Christians are bombarded with tough faith questions from their pluralistic friends and neighbors. Many of these emerge as "anti-truth claims" and slogans we are all familiar with: • Why not just look out for yourself? • Do what you want—just as long as you don't hurt anyone • Miracles violate the laws of nature • Aren't people born gay? Paul Copan has been answering questions like these for many years. In *When God Goes to Starbucks*, he offers readers solid and caring Christian responses to these and many other concerns that are being discussed in Starbucks, shopping malls, youth groups, and schools. Each chapter provides succinct answers and points for countering the cultural questions believers are faced with today.

Offers myths from around the world, including stories from the Mediterranean world, the Far East, Africa, Europe, and the Americas.

As most of you are aware, the road to a successful career in Software starts with a series of Written Technical Tests conducted by most IT companies in India. These companies test you fundamental skills in programming and design in three major areas- C Programming, Data Structures and C++ Programming. Most of you may have prepared for that "dream test" without knowing the exact pattern, the level and the difficulty of questions that appear in such tests. As a result, you are not able to give your best performance in these tests. This "Interview Questions" series addresses these concerns and is aimed at giving you the necessary practice and confidence to help you crack these tests. This series presents a whole gamut on questions on different topics in each of these three subjects- C, DS and C++. This volume is dedicated to topics like : Contents Data types Operators Pointers Advanced Storage Classes Arrays Structures Control Instructions Functions Pointer Concepts Preprocessor Directives Strings Unions

Agatha Bright has got big problems. Vampire problems. The coven has sent Vlad the vampire to Sea Breeze to investigate Remington's possession by the man that Agatha has loved her entire life. Meanwhile, Agatha is hired to do her very own investigation. When body parts at the local morgue go missing, the morgue attendant asks Agatha to solve the mystery of the murdered man. The mystery takes her to the local farm where chickens wear pedometers to prove that they're free range and the farm's owner has a meditation habit and a vicious temper. Suspects pile up, but Agatha is forced to focus on Vlad and his threats to send John away into oblivion. Can Agatha and her aunts thwart Vlad and the coven so that Agatha can have her happy ending? Can Agatha solve the mystery before the murderer kills again? And can John and Agatha ever consummate their love? *Beast of Eden* is the Fourth book in the *Agatha Bright Mysteries*. *Agatha Bright Mysteries...* Agatha Bright has a delicious recipe for murder. *Agatha Bright Mysteries* are funny small-town mysteries with a dose of witchcraft.
