For sixth-form student Grace Becker, The 100 Society is more than just a game; it's an obsession. Having convinced her five friends at Clifton Academy to see it through to the end, Grace will stop at nothing to carry out the rules of the game: tagging 100 locations around the city. With each step closer to the 100-mark they get, the higher the stakes become. But when the group catches the attention of a menacing stalker - the Reaper - he seems intent on exposing their illegal game, tormenting Grace with anonymous threats and branding their dormitory doors with his ominous tag. As the once tight-knit group slowly unravels, torn apart by doubt and the death of a student, they no longer

know who to trust. With time running out, Grace must unmask the Reaper before he destroys everything she cares about for ever... A hilarious, heartfelt, and refreshingly honest memoir and New York Times bestseller by the beloved comedic actress known for her roles on *Freaks and Geeks*, Dawson's *Creek*, and *Cougar Town* who has become "the breakout star of Instagram stories...Imagine *I Love Lucy* mixed with a modern lifestyle guru" (*The New Yorker*). There's no stopping Busy Philipps. From the time she was two and "aced out in her nudes" to explore the neighborhood (as her mom famously described her toddler jailbreak), Busy has always been headstrong, defiant, and determined not to miss out on all the fun. These qualities led her to leave Scottsdale, Arizona, at the age of nineteen to pursue her passion for acting in Hollywood. But much like her painful and painfully funny teenage years, chasing her dreams wasn't always easy and sometimes hurt more than a little. In a memoir "that often reads like a *Real World* confessional or an open diary" (*Kirkus Reviews*), Busy opens up about chafing against a sexist system rife with on-set bullying and body shaming, being there when friends

face shattering loss, enduring devastating personal and professional betrayals from those she loved best, and struggling with postpartum anxiety and the challenges of motherhood. But Busy also brings to the page her sly sense of humor and the unshakable sense that disappointment shouldn't stand in her way—even when she's knocked down both figuratively and literally (from a knee injury at her seventh-grade dance to a violent encounter on the set of *Freaks and Geeks*). The rough patches in her life are tempered by times of hilarity and joy: leveraging a flawless impression of Cher from *Clueless* into her first paid acting gig, helping reinvent a genre with cult classic *Freaks and Geeks*, becoming fast friends with Dawson's *Creek* castmate Michelle Williams, staging her own surprise wedding, conquering natural childbirth with the help of a *Mad Men*-themed hallucination, and of course, how her Instagram stories became "the most addictive thing on the internet right now" (*Cosmopolitan*). Busy is the rare entertainer whose impressive arsenal of talents as an actress is equally matched by her storytelling ability, sense of humor, and

sharp observations about life, love, and motherhood—"if you think you know Busy from her Instagram stories, you don't know the half of it" (Jenni Konner). Her conversational writing reminds us what we love about her on screens large and small. From "candid tales of celebrity life, mom life, and general Busy-ness" (W Magazine), *This Will Only Hurt a Little* "is everything we've been dying to hear about" (Bustle).

In this honest and stunning novel that inspired the award-winning major motion picture of the same name, James Baldwin has given America a moving story of love in the face of injustice. "A major work of Black American fiction." -The New Republic Told through the eyes of Tish, a nineteen-year-old girl, in love with Fonny, a young sculptor who is the father of her child, Baldwin's story mixes the sweet and the sad. Tish and Fonny have pledged to get married, but Fonny is falsely accused of a terrible crime and imprisoned. Their families set out to clear his name, and as they face an uncertain future, the young lovers experience a kaleidoscope of emotions—affection, despair, and hope. In a love story that evokes the

blues, where passion and sadness are inevitably intertwined, Baldwin has created two characters so alive and profoundly realized that they are unforgettably ingrained in the American psyche.

But before long, James decides that getting a taste of her is one indulgence he can't pass up"--Page 4 of cover.

Drip...drip...drip... In five days, she will come... Drip...drip...drip... In five days, she will come... Roberta 'Bobbie' Rowe is not the kind of person who believes in ghosts. A Halloween dare at her ridiculously spooky boarding school is no big deal, especially when her best friend Naya and cute local boy Caine agree to join in too. They are ordered to summon the legendary ghost of Bloody Mary: say her name five times in front of a candlelit mirror, and she shall appear... But, surprise surprise, nothing happens. Or does it? Next morning, Bobbie finds a message on her bathroom mirror - five days - but what does it mean? And who left it there? Things get increasingly weird and more terrifying for Bobbie and Naya, until it becomes all too clear that Bloody Mary was indeed called from the afterlife that night, and she is definitely not a friendly ghost. less others before... A truly spine-chilling yet witty horror from shortlisted 'Queen of Teen' author James Dawson.

Openhearted Bliss desperately wants new friends, making her the perfect prey of a troubled girl whose obsession with a long-ago death puts Bliss, and anyone she's kind to, in mortal danger. Rebecca Root, star of Boy Meets Girl 'Funny, thoughtful and honest' Stylist 'It's a boy!' or 'It's a girl!' are the first words almost all of us hear when we enter the world. Before our names, before we have likes and dislikes - before we, or anyone else, has any idea who we are. Gender isn't just screwing over trans people, it's messing with everyone. From little girls who think they can't be doctors to teenagers who come to expect street harassment. From exclusionist feminists to 'alt-right' young men. From men who can't cry to the women who think they shouldn't. As her body gets in line with her mind, Juno tells not only her own story, but the story of everyone who is shaped by society's expectations of gender - and what we can do about it. Featuring insights from well-known gender, feminist and trans activists in-

cluding Rebecca Root, Laura Bates, Gemma Cairney, Anthony Anaxagorou, Hannah Witton, Alaska Thunderfuck and many more, The Gender Games is a frank, witty and powerful manifesto for a world in which everyone can truly be themselves.
