In this inspirational and humorous collection of essays, author John Dietsch sees his addiction to and passion for fishing as a parable that can help us shift from compulsive thinking to mindfulness and a closer connection to God. From creating fishing scenes on the set of A River Runs Through It in Montana, to directing fly fishing shows in New Zealand and from exploring deep canyons in California to guiding in Colorado, John shares his experiences and asks the question: what are we really fishing for? Through John's journeys across the globe, we discover that the same pursuit in fishing—of what is elusive but attainable—can be applied to our own spiritual journey. In the end, Dietsch uncovers his own truth under the rocks of a childhood river, recognizing the loss of both his brothers as the path of acceptance and faith that is graced by waters.

They may ride off into the sunset, but cowboys never go out of style. These manly men embody the fiercely independent, earthy alpha male and hero who isn't afraid to show the gentle, nurturing side of his complex nature when faced with a woman in need. Even when he's coated with dust from riding behind a herd of cattle or up to his knees in mud freeing a calf from a wallow, this stud still generates a lot of Cowboy Heat. Delilah Devlin's Cowboy Lust was a sensation, hitting the top ten of romance books and generating a river of praise. Award-winning Devlin is back on the ranch with stories of rugged romantics, rough riders, and rope wranglers sure to satisfy any reader who craves the idea of that gruff, romantic hero, a man of few words but many moves. Cowboy Heat sits tall in the saddle, winning hearts and spurring readers to new heights of happiness.

West is a high school senior who has everything going for him until an accident leaves him paralyzed. Strapped down in his hospital bed, slipping in and out of consciousness, West is terrified and alone. Until he meets Olivia. She's the girl next door-sort of. A patient in the room next to his, only Olivia can tell what West is thinking, and only Olivia seems to know that the terrible dreams he's been having are not just a result of his medication. Yet as West comes to rely on Olivia-to love her, even-certain questions pull at him: Why has Olivia been in the hospital for so long? And what does it mean that she is at the center of his nightmares? But the biggest question of all comes when West begins to recover and learns that the mysterious girl he's fallen in love with has a secret he could never have seen coming.

Meet the couple every couple wants to be. Attractive and immaculately turned out, they are the perfect team. Tomorrow they will be in Stockholm, a city where, in summer, the sun shines 24/7 and sometimes it's dark all day long. Today it's his birthday and she's going to give him all his presents and treats and surprises. Treading a fine line between tenderness and cruelty, Stockholm reveals a relationship unravelling. It's beautiful, but it's not pretty. Stockholm unites leading physical theatre company Frantic Assembly with award-winning playwright Bryony Lavery and designer Laura Hopkins (Black Watch, Mercury Fur) to deliver an extraordinary perspective on the nature of modern love. Stockholm opened at the Theatre Royal Plymouth in September 2007.

Whether they're threading a barrel or shredding a swell, these amazing women are making enormous waves in the world of surfing. If you thought surfing was a male-dominated sport, think again. The thirty women surfers profiled in this thrilling collection can rip a wave with the best of them. Hailing from all over the world, each surfer is featured in spectacular photography and with their own inspirational words. There's American professional surfer Lindsay Steinriede on how her father's death has inspired her career; French board shaper Valerie Duprat on how she got her start "sculpting foam"; Conchita Rössler, founder of Mooana Retreat in Portugal, on connecting mind, body, and spirit; and Australian photographer Cait Miers on empowering women. You'll also meet surfers who are over sixty, who surf while pregnant, who captain boats, teach yoga, and make movies. Breathtak-

ing photography captures these women from every angle, on and off the waves, in some of the world's most visually stunning locations. The perfect gift for surfing enthusiasts, this unique compilation of stunning pictures and hard-won wisdom proves that the thrill of catching a wave, riding it, and kicking out belongs to everyone.

From the best-selling and award-winning author of The Devil's Arithmetic, Jane Yolen, comes her first Holocaust novel in nearly thirty years. Influenced by Dr. Mengele's sadistic experimentations, this story follows twins as they travel from the Lodz ghetto, to the partisans in the forest, to a horrific concentration camp where they lose everything but each other. It's 1942 in Poland, and the world is coming to pieces. At least that's how it seems to Chaim and Gittel, twins whose lives feel like a fairy tale torn apart, with evil witches, forbidden forests, and dangerous ovens looming on the horizon. But in all darkness there is light, and the twins find it through Chaim's poetry and the love they have for each other. Like the bright flame of a Yahrzeit candle, his words become a beacon of memory so that the children and grandchildren of survivors will never forget the atrocities that happened during the Holocaust. Filled with brutality and despair, this is also a story of poetry and strength, in which a brother and sister lose everything but each other. Nearly thirty years after the publication of her award-winning and bestselling The Devil's Arithmetic and Briar Rose, Yolen once again returns to World War II and captivates her readers with the authenticity and power of her words. Praise for Mapping the Bones: "Jane Yolen's Mapping the Bones is a swift and deadly drama with overtones of dark fable we all wish we could forget. But this book, a shining star held in a trembling palm, requires us to remember." --Gregory Maguire, internationally bestselling author of Wicked "Mapping the Bones is spare and beautiful and haunting. Jane Yolen has created a masterpiece." --Kimberly Brubaker Bradley, New York Times bestselling author of The War That Saved My Life "Master storyteller Jane Yolen has outdone herself. This is a compelling, important, necessary, and timely book that deserves the widest audience possible." --Lesléa Newman, award-winning author of Still Life with Buddy "In the hands of the superb Jane Yolen, folklore and fact connect in a harrowing testimony to horror and to love. Brutal, relentless, prophetic, and full of truth." --Elizabeth Wein, New York Times bestselling author of Code Name Verity "A compassionate, unflinching, unforgettable Nazi labor camp Hansel & Gretel tale woven by America's finest spinner of Holocaust stories for young readers." --Julie Berry, author of the Printz Honor Book The Passion of Dolssa "[An] expansive, eloquent novel." --Publishers Weekly "Yolen does a superb job of dramatizing the horrors of WWII and the Holocaust, bringing vivid fear and suspense to her captivating story. It makes for altogether memorable and essential reading." --Booklist "[A] breath-taking and heartbreaking look at the horrors of war and the lengths people go to overcome." --Voice of Youth Advocates "Fans of Yolen's The Devil's Arithmetic will be engrossed in this story until the last page." --School Library Journal "[A] well-rounded story of a very difficult time that shows the resiliency of these young people." --School Library Connection

It's rare to discover a candid sports autobiography-- even rare when the author is one of the most recognizable athletes in the world. But in Shaq Talks Back, Shaquille O'Neal for the first time talks frankly about his childhood, his life, his rivalries, and his career, culminating in a dramatic, behind-the-scenes account of the Los Angeles Lakers' drive to the NBA Championship. At seven feet one inch tall and 330 pounds, Shaq has always faced outsized expectations, even as a child when he towered over other kids. Shaq Talks Back is the story of how potential became reality-- how someone expected to be a champion finally learned to become one. Beginning with his memory of crying on the court after the Lakers defeated the Indiana Pacers, Shaq takes us back to his younger days in Newark and Jersey City, New Jersey, then to Georgia and finally to Germany, where he began to harness some of his height and strength. From there, he recounts the remarkable progress of his basketball career, changing from a big but inexperienced teenager to a dominant college and professional player. Shaq talks about: * Playing at Louisiana State University for the unpredictable coach Dale Brown * Signing the biggest rookie contract ever with the Orlando Magic-- and going to the NBA Finals for the first time * What happened next: dissention, disappointment, and his decision to leave for Los Angeles * The dysfunctional Lakers who were never able to win the big games * Dealing with egos as he finds the right chemistry with Kobe Bryant, Phil Jackson, and new additions to the team * Rivalries with Alonzo Mourning, Patrick Ewing, Hakeem Olajuwon, David Robinson, and others * The trouble with free throws... * "Bling-bling" and women: the larger-than-life world of NBA players off the court * Inside the Lakers' comeback from the brink against Portland and the drive to the NBA championship Funny, insightful, opinionated, and unexpectedly moving, Shaq Talks Back is the true voice of the NBA's best player.

JUNIPER As his student, I should've kept my distance. Out of all the guys in the world I could've fallen in love with, it had to be my new teacher. We fell in love slowly, hidden from others. Keeping it secret, and falling deeper each day. But no love is perfect, and we learned it the hard way. When the truth came out and he left town, he left me broken and alone. He's to blame, at least that's what everyone says. But to me, he's still the greatest man I've ever gotten to love. And when October starts, no one can tear us apart.

"As novelist and poet Andrei Codrescu points out in the essay that accompanies this selection of photographs from the Getty Museum's collection, Evans's photographs are the work of an artist whose temperament was distinctly at odds with Beals's impassioned rhetoric. Evans's photographs of Cuba were made by a young, still maturing artist who - as Codrescu argues - was just beginning to combine his early, formalist aesthetic with the social concerns that would figure prominently in his later work."--Jacket.

A year after a devastating epidemic swept the world, Emily and her six-year-old son, Song, are struggling south in search of more hospitable climates. A snowstorm traps them in an abandoned gas station, where starving and desperate, they encounter Aaron, an Army medic on a mission of his own, who offers them a ride to ease the journey.

Seventeen year old, Tianna Harper, never expected to leave Georgia. But after her mother lands a new job overseas, she is forced to leave her small rural town and move up North with her crazy, no-holds-barred, aunt in Brooklyn. Fast paced. Full of life. On the long roads of Devery ride two mercenaries whose fates like hidden deep in that of their own land. But Lord Rhodry, exiled from the dragon court of Aberwyn, has yet to discover his true parentage, and his swordmaster-lover, Jill, has barely glimpsed her awesome powers. Meanwhile, the ancient sorcerer Nevyn, held back by his vows from boldly intervening in their lives, can only watch and wait as Rhodry and Jill move ever closer to danger. For as the two struggle to recover the Great Stone, the mystic jewel that guides the conscience of the kingship of Devery, malevolent dark masters are weaving terrifying spells against them--and displacing messengers of death. Katharine Kerr has extensively rewritten Darkspell, incorporating major changes in the text, making this her definitive edition. Here the epic saga that began with the Daggerspell continues--a tale of might and magic, lust and glory, dark danger and poignant desires that echo from Devery's sapphire waters to its secret mountain caverns. It's a spellbinding story destined to please fantasy lovers everywhere.

In the fifth of the River Cottage Handbook series, John Wright reveals the rich pickings to be had on the seashore - and the team at River Cottage explain how to cook them to perfection. For the forager, the seashore holds surprising culinary potential. In this authoritative, witty book John Wright takes us on a trip to the seaside. But before introducing us to the various species to be harvested, he touches on such practicalities as conservation and the ethics of foraging; safety from tides, rocks and food poisoning; the law and access to the shore, our right to fish, landing sizes and seasons; and equipment such as nets, pots and hooks. Next comes the nitty-gritty: all the main British seashore species that one might be tempted to eat. The conservation status, taste and texture, availability, seasonality, habitat, collecting technique and biology of each species is covered; there are also quite a few gratuitous but fascinating diversions. The species covered include crustacea (brown shrimp, common crab, lobster, prawn, shore crab, spider crab, squat lobster, velvet swimming crab); molluscs (clams, cockle, dog whelk, limpet, mussel, oyster, razor clam, winkle); mushrooms; plants (alexanders, babbington's orache, fennel, frosted orache, marsh samphire, perennial wall rocket, rock samphire, sea beet, sea buckthorn, sea holly, sea kale, sea purslane, sea rocket, spear-leaved orache, wild cabbage, wild thyme); and seaweed (carrageen, dulse, gut weed, laver, pepper dulse, sea lettuce, sugar kelp, kelp). Finally, there are thirty brilliant recipes. Introduced by Hugh Fearnley-Whittingstall, Edible Seashore is destined to join the other handbooks in the series as an indispensable household reference.
