He is addicted to his phone and his new role as CEO. I'm addicted to getting some on my own honeymoon. One of these things is not like the other. I am pretty sure a serial killer's lair is the only place in the world where I could stash my new husband so he can't manage the acquisition of our new company. And that seems a little drastic. But only a little... All I want is one week alone with him. Hours in bed, legs tangled together in ecstasy, room service and long walks on the beach in Hawaii. Not vying for his kisses around a Bluetooth microphone. The Borg aren't sexy in real life. So I'm taking matters into my own hands and hitting "reboot" on our honeymoon. We're going to a place so remote that no one can find us. Not even my mother. Shopping for a Billionaire's Honeymoon is now a full-length book of 150+ pages, with both Shannon and Declan's points of view. Originally published with only Shannon's viewpoint, this expanded edition is a result of reader feedback. People wanted to know what Declan was up to - so here you go. This book is meant to be read after Shopping for a Billionaire's Wife and/or Shopping for a CEO's Fiancée, but if you read it out of order (or even as a standalone), that's fine. Shannon and Declan forgive you. ;) Read what others are saying about Julia Kent: "Heartwarming and intensely emotional, Our Options Have Changed is witty, sexy and hilarious with a heroine you admire and a hero you can't help falling in love with." -- Helena Hunting, New York Times bestselling author "Reading a Julia Kent book is like taking a vacation with your best friends. "No strings attached" doesn't apply to family. Sam O'Neal's goal had been simple—keep his brother, Josh, alive long enough to die an old man with Jenny and their children at his side. Cancer had other plans. Jenny's a widow just hours after giving birth, and Josh died without getting to see or hold the babies he fought so hard to have. Will Sam's new role will be grieving uncle or surrogate father to Jenny's twins—Sam's biological babies? Josh knew better than anyone why Sam guards his heart with an iron fist. Surely, his brother's crazy arrangement wasn't supposed to be Sam's second shot at a family of his own. Jenny Sullivan O'Neal's life was perfect...until it wasn't. The people of Coyote Springs call her "Jenny Perfect" for a reason. Eldest of the triplets that the town helped raise, Jenny is strong, kind, and reliable. Not the sort of person who would agree to use her brother-in-law as a sperm donor when the love of her life found out he couldn't father a child. But she did. Now the happiest day of her life has turned into the worst, quickly followed by a reality she can't wrap her head around: Josh is gone, she's a widow with two babies, and the twins' biological father is a hard-working, humorless enigma she respects but certainly doesn't love. With Christmas approaching and fire bug on the loose, what choice does she have but to shelter-in-place with Sam? The man she's starting to see in a completely new light. In Coyote Springs, home for the holidays takes on new meaning for the rancher and the widow who share both a singular loss and a double blessing when they spend their first Christmas together and celebrate a future that redefines the word: family. The Rancher's and the Widow's First Christmas brings the Gold Country series forward, through one poignant loss, the birth of twins, a vengeful firebug, and a match-making ghost. If you enjoy a few tears with your happily-ever-after, you'll love Jenny's and Sam's story. Don't miss Book 2 in this heart-warming series from bestselling author Debra Salonen.

We skipped right over the whole fiancée thing and went straight from girlfriend to wife. At least, I think that's what happened. I woke up after my brother's Vegas wedding reception with my luscious girlfriend in bed with me. We're both wearing wedding rings. So is her coworker, Josh. And our Vegas chauffeur, Geordi. Who the hell am I married to? Unraveling this mystery will be as difficult as figuring out why Amanda and I are having panic attacks over the thought of being husband and wife. Or, whoever we're actually married to. Oh, ^%\$#. It's true that what happens in Vegas stays in Vegas, with one exception: If she's my wife, we'll make it work. If she's not? I'll make it happen. \*\*\*\*\* Read what others are saying about Julia Kent: "Heartwarming and intensely emotional, Our Options Have Changed is witty, sexy and hilarious with a heroine you admire and a hero you can't help falling in love with." -- Helena Hunting, New York Times bestselling author "Reading a Julia Kent book is like taking a vacation with your best friends. Billionaire celebrity chef Christopher Denton is back in his hometown, hoping to win a local baking contest and gain some much-needed publicity before launching his new show. The only possible glitch in the plan is knowing Mara Lancaster, the girl who broke his heart back in high school, is his competition. Though his pulse is racing in that old familiar way, he plays it cool, not wanting Mara to know how much seeing her has affected him. Maybe if he acts like he doesn't care, his traitorous heart will listen. But as the competition heats up, so do his thoughts about her. Mara's even more gorgeous now and he's finding it difficult to keep his eyes—and his hands—off her. Mara has to win the Christmas gingerbread house competition. This isn't a game to her: it's her entire future, because she needs the prize money to start her own bakery. Nothing will get in the way of that dream. Certainly not an egotistical, bad boy billionaire chef, even if he makes her blood sizzle and her mind turn to cookie batter—just like he did when they were teenagers. She can't deny their attraction, though, and the more time they spend together, the more Mara sees the boy she loved before accidentally breaking his heart. And she likes what she sees. Chris is kind and really a bit of a softy, despite his hard exterior. But just when Mara thinks things between her and Chris might end sweetly, her ex shows up on the scene and leaves Mara wondering if it will all crumble—just like a gingerbread house...

The Denton Hotels Christmas gala has always been a big deal, but this Christmas must be the most extravagant ever. Billionaire Mitch Denton's CEO father is set to make a major announcement at this year's gala, and Mitch hopes it's what he's been waiting for: his promotion to head of the company. Mitch is more than a little surprised when Jules Cardwell, assistant to the now-AWOL event planner, walks into his office, ready to oversee the gala's planning. With so much on the line, he doesn't need the distraction of a beautiful woman like her. When they find a real baby in the nativity manger just as a major snowstorm rolls in, the two have little choice but to rely on each other. In Mitch's luxury penthouse, Jules tells herself she's staying for the good of baby Noelle. It's not because Mitch is gorgeous, rich, charming, and everything Jules has tried to avoid in a man. Or because it's difficult for her to breathe whenever he's near. Worse, he's sweet and kind and makes her heart ache in a way that's not at all welcome. With Christmas drawing closer, the two work frantically during the day to make the gala perfect, but the nights are completely different. They're hot and swoon-worthy, and Jules never wants them to end. But just as Jules thinks they might actually become a real family, she gets a cold splash of reality: this is just a holiday romance. She could never fit into Mitch's world, and even the magic of Christmas can't change that. When Mitch is given everything he's ever strived for professionally, he realizes the one thing he truly wants might soon be gone forever.

Gerald Wright works for billionaires. He never imagined he'd become one. The former Navy Seal is a chauffeur by day, artist by night, so when hotter-than-ever ex-fiancée Suzanne Dayton interrupts his nude model sculpting class to serve him with inheritance paperwork from a man he's never heard of, he assumes it's a joke. Turns out the joke's on him. There's just one catch. A big one. And it might be Suzanne — in more ways than he ever dreamed. \* \* \* Read what others are saying about Julia Kent: "Heartwarming and intensely emotional, Our Options Have Changed is witty, sexy and hilarious with a heroine you admire and a hero you can't help falling in love with." -- Helena Hunting, New York Times bestselling author "Reading a Julia Kent book is like taking a vacation with your best friends. All his life, billionaire hotelier Josh Denton loved only one woman—his mother, who died a few years back. So when the Cedar Grove Resort and Spa, a place where he'd spent the last Christmas with her, comes on the market, he allows a bit of sentimentality into his heart and sets out to purchase it. Sure, the place is a bit shabby, but he wants it. Problem is, the current owner is a family man, who won't take kindly to his hotel being sold to a slick, single New York billionaire. When Amelia MacTaggart, his efficient and effervescent assistant, who just so happens to come from Cedar Grove, walks into his office, a plan starts forming. Amelia can act the part of his fake fiancée over the Christmas weekend at the hotel, and in return, she'll get that promotion she's been angling for. Seems like a win-win. And it is, until the 'fake' relationship between them starts getting a little too real, too fast.

What's a hot hotelier to do? While Amelia readily agrees to participate in the farce, she feels guilty lying not only to the hotel's grandfatherly owner, but also to her own family. Still, it's not such a difficult task pretending to be in love with her sexy boss. If only she'd known that one kiss would turn their platonic ruse into the real deal. If only Josh weren't being so nice, so fiancé-like. Sexy bed time aside, Amelia finally reminds herself of the brutal truth: This is all about business, about Josh's obsessive need to win at any cost. She knows that. But as Christmas approaches and their hot romance turns decidedly frosty, Amelia begins to wonder if the only Christmas gift she is going to receive is a broken heart.

Everything in his life is planned. How'd she get on his agenda? Quint Fairchild, head of Fairchild Films, learned long ago that in Hollywood everything's make believe, including love. So why can't he resist the small town innocence of struggling scriptwriter Chrystelle Bach? She's entirely too fascinating, but he can convince himself he doesn't want her—he wants her script. Chrystelle wishes she could spend Christmas with her beloved grandmother in her Colorado hometown. Then Quint offers her a contract to produce her TV series. She almost believes this is the best Christmas ever—until she reads the contract. He doesn't just want rewrites, he wants her to change everything. The battle begins, but when Chrystelle's grandmother takes ill, Chrystelle knows where she belongs and hops the next bus home. What she hadn't expected was Quint on her front porch, and not to wish her a Merry Christmas. He wants her script—on his terms, of course. Their conflict continues, but the more time Chrystelle spends with this stubborn billionaire, the harder it is for her to remember why she can't change her script. But sprinkle this battle with grandmotherly wisdom and holiday charm, and the season of blessings reveals love in more ways than Chrystelle and Quint ever imagined.

An exclusive society of the world's most powerful gentlemen. Nothing will get between them and the women they want. Rafe knows exactly what he wants for Christmas. But there are things even billionaires can't buy. While she's madly in love with her fiancé, Hope needs time to adjust to her new life and Rafe's sexy demands. He wants more than her hand in marriage and a baby, he wants her to face her greatest fears. Hope's not sure she's courageous enough to give him what he really wants for Christmas. \* \* \* \* \* This enchanting Christmas story has one crazy kitten, a mishap with the Christmas tree, a frustrated billionaire, and plenty of naughty to go with the nice! It is a feel-good standalone novella, but you may enjoy it more if you have read Billionaire's Matchmaker. Enjoy this magical happily ever after Christmas story!

One alpha billionaire. One fake engagement. One Christmas they'll never forget. Gabe Elkins, President and CEO of a Silicon Valley digital security tech firm, has just launched another successful app. But instead of celebrating, Gabe learns his grandmother is sick and he has to return home to make her last Christmas a memorable one. Gabe's family has never been impressed by his corporate success and they're constantly hounding him about marriage. He wants nothing more than to give his dying grandmother the news she's been waiting years to hear—that he's finally engaged. If he's going to pull it off, he'll need the help of a professional miracle-worker, and he knows just who to ask—his intelligent, gorgeous, and impressive as hell conference liaison, Anna Waters. Anna has just been offered the job of a lifetime: Agree to be this bad boy billionaire's fake fiancée for the holidays at his family's luxury ski resort, and he'll help her build her private conference consultation business. The idea is more attractive than Anna would like to admit—almost as attractive as the man proposing the charade. Once Anna agrees, she is quickly swept up in putting on the biggest show of her career. Except, the more time she spends with Gabe, the less their sweet moments and toe-curling kisses feel like acting. And when the lines between the charade and reality start to blur, Gabe and Anna are faced with deciding if their relationship could work in the real world or if their romance only shines under the twinkling Christmas lights.

A Christmas Cinderella? Drew Devonshire is tired of attending wealthy functions with women who only want his money. He's pleasantly surprised, how-

Will it be enough for him to find her? Gwen Rodgers isn't wealthy and she doesn't like strangers, but when her friend Carrie asks her to attend a masquerade ball in her place, she reluctantly agrees. There she meets a handsome man who piques her interest, but when she finds out that man is billionaire Drew Devonshire, she knows a relationship could never work. However, when Drew comes looking for her, she is forced to decide whether she should tell him the truth and risk losing him or continue the charade. My mother wants all her kids and grandkids to spend Christmas Eve at her house and wake up on Christmas morning together. Sounds reasonable, right? And it would be. If it weren't my mother. My husband, Declan, is protesting any involvement, though he's openly intrigued by the idea of claiming his territory by having sex in my childhood bed. And by intrigued, I mean a series of really hot suggestions that make me whimper when I have to say no. Wait-why am I saying no, again? Mom has turned her house into a Christmas showcase that makes Frankenmuth look like the picked-over clearance rack at Target on December 26. You know those crazy people on Etsy who make felted gnomes out of belly-button lint and use... a certain kind of hair... to make thatched roofs on little decorative elf homes? Those people are saner than my mother. There is no force of nature stronger—or more emotionally volatile—than a fifty-something grandmother determined to create holiday memories. Wait a minute. Maybe there is. My husband. Santa is young, hot, and thin. Not what she was expecting. It's Saylor Bates' first Christmas alone since her divorce. While killing time window shopping at the mall, Saylor manages to catch the mall Santa Claus and pleads with him to reassure her small, worried son via FaceTime he'll find him at his dad's for Christmas. What Saylor doesn't expect is for Santa to set a match to her blood. He's young, dazzle-eyed, and drop-dead gorgeous beneath that fur-trimmed hat and fluffy white beard. When Cole Osteen is snagged by Saylor under his guise as Santa on Christmas Eve, he can't help but seek her out. Soon their romance ignites, sparking and gleaming brighter than a light display. Cole asks Saylor what she wants for Christmas, and of course she says her son's happiness. Divorce can be hard for a little boy. Cole's kissing definitely keeps Saylor warm, and soon her Christmas wishes begin to turn inward as well, making her hope for a future with him. But with Cole's ex interfering at every turn, this Christmas it might be too much to ask for happiness of her own. With instant chemistry, quirky banter, and a happily ever after, you'll adore this clean Christmas romance by Catelyn Meadows! This book was previously titled Second Chance Christmas. All of our best dates end up in the emergency room.... I planned the perfect proposal. Plenty of lobster, caviar, champagne and--her favorite--tiramisu. The perfect setting. The perfect woman. The perfect everything. Dad gave me my late mother's engagement ring, platinum and diamonds galore. Shannon wouldn't care if I slid a giant hard-candy ring on her finger instead of a three-carat diamond designed to impress. But my future mother-in-law, Marie, will pass out when she sets eyes on that rock, which will give us two minutes of blessed silence. That woman talks more than Kim Kardashian flashes her naked backside on the internet. I was going to make it perfect, from the color of the tablecloth to the freshness of the roses. And it was perfect. Until Shannon swallowed the ring. \* \* \* Shopping for a Billionaire's Fiancée gives near-billionaire Declan McCormick the chance to tell his story in this continuation of the New York Times and USA Today bestselling Shopping for a Billionaire series. \*\*\*\*\* Read what others are saying about Julia Kent: "Heartwarming and intensely emotional, Our Options Have Changed is witty, sexy and hilarious with a heroine you admire and a hero you can't help falling in love with." -- Helena Hunting, New York Times bestselling author "Reading a Julia Kent book is like taking a vacation with your best friends. Ever meet a hot billionaire while your hand's in a toilet in the men's room of one of his stores? No? So it really is just me. Hmm. When you're a mystery shopper, you get paid to humiliate yourself, all in the name of improving customer service. Romance isn't in my job description. But the day I met Declan McCormick it was love at first flush. Until I nearly castrated him with my EpiPen. How Hot Guy and Toilet Girl became an item involves my crazy mom, a trip to the ER, my homicidal cat, my fake wife, and true love. Don't look at me like that. I'm just doing my job. I'm shopping for a billionaire. --- The Shopping for a Billionaire collection from New York Times bestselling author Julia Kent is a 600+ page, hilarious romantic comedy with heart, heat, and laughs. Snowbound. Sounds so romantic, with visions of cuddling before a roaring fire, hot chocolate spiked with brandy, and a secret elopement. Wait. What? My fiancé's father won't stop trying to turn our pending wedding into a three-ring media circus so he can get free publicity for his family's Fortune 500 company. My mother has decided she's done with All Things Wedding and asks her teacup Chihuahua for mother-of-the-bride advice. They've all gone certifiably mad. Then the stress from the wedding puts my mother in the hospital, I scream at my future father-in-law in front of a camera crew and the video goes viral, and the romantic wedding that started with Andrew's grand Pride and Prejudice proposal looks less like Jane Austen and more like Dostoyevsky. So what do you do when you're a fixer and you can't fix something? You give up on it. Not on Andrew, silly. The wedding. Shopping for a CEO's Wife is the 12th book in Julia Kent's New York Times bestselling Shopping series. As Shannon and Declan enjoy their newlywed bliss, Andrew's father wants to exploit Amanda and Andrew's nuptials, much to Amanda's chagrin. Can she learn to stand up to her future father-in-law and fight for what's right? But the real question is: will Spritzky the teacup Chihuahua end up being a flower girl?

Golden boy of the family empire and billionaire CEO of Elk Lodge, Jonas Elkin is in for the shock of a lifetime after he hires a photographer to shoot family portraits as a gift to his dying grandmother. When Rachel Alexander, his steamy one-night stand, shows up, Jonas must face the unexpected consequences of their actions three years ago: he has a son. Rachel never expected to see the father of her son again. She definitely didn't expect him to be in charge of the ski resort she met him at. She almost wishes she could say no to Jonas' request for family portraits, but without enough money to pass up the job, she's not only forced to work during the Christmas holidays, but has to push aside her lingering feelings for Jonas and what they could have been. But then Jonas reveals he still has feelings for her and wants to get to know his surprise son; on one condition: they have to keep the baby a secret from Jonas' traditional family. He's used to being the alpha male, in control of every situation, but Rachel refuses to be told what to do, especially when it comes to her son. Will they be able to overcome the differences that threaten to tear them apart, or will Jonas' family finding out about their past destroy their chance at a future? A chance encounter in an empty stairwell leads to a magical Christmas for beautiful Hollywood actress Allie Gilbert and enigmatic billionaire Braden Rhodes. Now, two years after a whirlwind romance, secret wedding, and an abrupt separation, they would both rather forget that passionate Christmas when they fell in love... But when an unforeseen circumstance close to Christmas forces Allie to take shelter in one of Braden's homes, she has no way of knowing he'll be there. Still as sexy and attractive as ever. And still very angry with her. Forced to spend the holidays together, will they rekindle the magic of that first Christmas, or will this be the end of their love? A special holiday romance from Serena Grey. Who needs a SWAT team to escape from their own wedding? Me. My Momzilla turned us into hostages at our own ceremony, so Declan and I are getting married the good old-fashioned way, just like everybody else. By calling in his private security team, stealing away before the ceremony by helicopter, connecting to his corporate jet and heading for Las Vegas. The Boston wedding of the year is about to become a trashy Elvis drive-thru ceremony. Until the best man spills the beans and Mom, Dad, my sisters, his brothers, my maid of honor, my friend Josh, and even my cat, Chuckles, all come along for the ride. I can't win, can I? Oh. Yeah. I already did. Love conquers all. Even my crazy family. Shopping for a Billionaire's Wife is the 8th book in the New York Times and USA Today bestselling Shopping for a Billionaire series. After Declan convinces Shannon to escape from their own wedding minutes before the ceremony begins, the madcap adventures are just getting started. When the mother of the bride pries their location out of the tortured best man, the whole crazy crew follows the bride and groom to Las Vegas in this romantic comedy from Julia Kent. \*\*\*\*\* Read what others are saying about Julia Kent: "Heartwarming and intensely emotional, Our Options Have Changed is witty, sexy and hilarious with a heroine you admire and a hero you can't help falling in love with." -- Helena Hunting, New York Times bestselling author "Reading a Julia Kent book is like taking a vacation with your best friends. The Billionaire's Christmas Fiancée All his life, billionaire hotelier Josh Denton loved only one woman—his mother, who died a few years back. So when the Cedar Grove Resort and Spa, a place where he'd spent the last Christmas with her, comes on the market, he allows a bit of sentimentality into his heart and sets out to purchase it. Sure, the place is a bit shabby, but he wants it. Problem is, the current owner is a family man, who won't take kindly to his hotel being sold to a slick, single New York billionaire. When Amelia MacTaggart, his efficient and effervescent assistant, who just so happens to come from Cedar Grove, walks into his office, a plan starts forming. Amelia can act the part of his fake fiancée over the Christmas weekend at the hotel, and in return, she'll get that promotion she's been angling for. Seems like a win-win. And it is, until the 'fake' relationship between them starts getting a little too real, too fast. What's a hot hotelier to do? The Billionaire's Sudden Christmas Baby The Denton Hotels Christmas gala has always been a big deal, but this Christmas must be the most extravagant ever. Billionaire Mitch Denton's CEO father is set to make a major announcement at this year's gala, and Mitch hopes it's what he's been waiting for: his promotion to head of the company. Mitch is more than a little surprised when Jules Cardwell, assistant to the now-AWOL event planner, walks into his office, ready to oversee the gala's planning. With so much on the line, he doesn't need the distraction of a beautiful woman like her. When they find a real baby in the manger just as a major snowstorm rolls in, the two have little choice but to rely on each other. In Mitch's luxury penthouse. The Billionaire's Second Chance Christmas Billionaire celebrity chef Christopher Denton is back in his hometown, hoping to win a local baking contest and gain some much-needed publicity before launching his new show. The only possible glitch in the plan is knowing Mara Lancaster, the girl who broke his heart back in high school, is his competition. Though his pulse is racing in that old familiar way, he plays it cool, not wanting Mara to know how much seeing her has affected him. Maybe if he acts like he doesn't care, his traitorous heart will listen. But as the competition heats up, so do his thoughts about her. Mara's even more gorgeous now and he's finding it difficult to keep his eyes—and his hands—off her.
