The Spirit of God that swept across the island "like a mighty wind" continues today throughout Indonesia although persecution of Christians is all too common. The story of God's powerful revival in this region remains a testament to the truth of God's Word, and serves as a reminder to all believers that the Spirit of God manifests in our world now as it did in the earliest days of the Church.

In this ninth book in the "Praying the Scriptures" series, author Dr. Elmer Towns reveals the times, troubles, and triumphs of the Israelites as they were freed from slavery and left Egypt. He also delves deeply into how, when, and why the Levites received God's laws and instructions to "Be holy, because I am holy." Sit at the dinner table with Moses and Job as they talk about God's faithfulness to deliver and provide; and listen to the conversation between Moses and Aaron as Moses writes the last words God gives him about offerings. Dr. Towns' translated the Scriptures from the original text into modern English-thought for thought-and then turned each passage into a prayer to God. A process he calls transliteration-a process you will call intriguing and exciting! As you read *Praying Your Way Out of Bondage*, be prepared to enter your personal Promised Land.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 I grew up in a church where the intercessors were always sad looking people, and I did not see them as happy. I did not know that it was possible for intercessors to be happy. #2 I spent so much time carrying so many feelings inside of me and internalizing them as if they were my own that I became depressed. I took those words as truth and became a quiet one who was afraid of people. #3 I had a difficult time dealing with my emotions as I grew up. I would pray about them, but I did not understand my gifting and how to pray. I was not releasing to God all of the things that I was feel-

ing and picking up around me. #4 I did not have a deep relationship with the Holy Spirit until I was confronted with a crisis in my life. Looking back, I can see that there was a pull to go deeper with God, but I did not know how to get there.

In the 1960s and 1970s a root of prayer was born from the prayers of Dick and Dee Eastman, who established a house of prayer in Sacramento where young people would give a year of their lives to pray for souls to be saved. Today, Every Home for Christ has reached 205 nations and more than 75 million decisions to follow Christ have been made. More than 150,000 house churches have been started by EHC, and over 80 million discipleship courses completed. Now, an average of 35,000 decisions are being made to follow Jesus Christ every day, through the work of EHC. They are sharing the gospel of Jesus with 900,000 individuals in 180,000 homes each day.

General Loring was one of many Confederate officers who after the close of the War of the Rebellion offered their services to foreign rulers. A number of these officers took their way to Egypt, and the author of this book was one of the most successful ot them all. He was made Pasha by the Khedive, and he rendered that ruler honorable and efficient service. It was natural that Loring Pasha should have been led to give his Egyptian experiences durable shape, and his book gives a clear and agreeably written account of the country. Such a writer has much more authority than the mere traveler. General Loring lived long in the country, and in intimate relations with persons at the centre of affairs; being withal a man of thought and intelligence he could not, with his opportunities, fail to acquire and retain impressions and facts of interest and value.

Deeper Dimensions of Worship and Intimacy The presence of God is a place of peace, blessing, and provision. Many believers long to find that place and remain there, but they're not sure how to enter into it. They yearn to come into direct contact with the living God. Others don't think they need to make a special effort to enter God's presence. After all, isn't He with us all the time? It is true that God is omnipresent, but He is also holy. We must enter His presence according to the biblical pattern He has given us, revealed in the prophetic design of the Old Testament tabernacle and made fully available to us by Christ in the New Testament. In this book, internationally renowned Bible teacher Derek Prince reveals profound truths to help you effectively enter into God's holy presence, where you will receive strength, power, and impartation. He explains the spiritual progression that will lead you step-by-step to the throne of grace, where you may hear the voice of God and find rest in His arms. Entering the Presence of God explores deeper dimensions of worship, as well as deeper intimacy with the heavenly Father, which will transform your relationship with Him. As Derek says, "Most of us come to God for things. We want blessings, we want power, or we want healing. God wants us to come simply for Him." God is calling to you to enter into His presence. Will you take the first step toward Him? "And you will seek Me and find Me, when you search for Me with all your heart" (Jeremiah 29:13).

Unique, Powerful Way All Believers Can Experience Breakthrough In the Bible, Moses sang. Miriam sang. So did Deborah, David, Mary, Paul, the angels, and so many more. The Israelites went to war singing; they sang over victories, over happy moments and hard moments. They knew something we've lost sight of: When we learn to sing God's words back to Him, we align the deepest spaces of our hearts with the deepest places of His--and we experience breakthrough. So why do we relegate singing the Word to just worship teams? Julie Meyer, a Dove-nominated artist and worship leader,

has been teaching all believers how to do just this. She shows that you don't need to know how to read music or even sing in tune. All you need is Scripture and a willingness to engage God in song. As you do, you will see heartache turn into hope, despair into destiny, fear into fearlessness. You stand on the Word, pray it, and even memorize it. Now it's time to sing it.

How do we begin to think it through and cope with it?
