there's something about st. TROPEZ "Infused with Malibu glamour and set in alluring locales in Mexico, Italy and France, this summertime read offers plenty of romantic élan and international intrigue."

#### There's Something About St. Tropez by Adler, Elizabeth ...

Elizabeth Adler is a writer who specializes in romantic fiction and romantic mystery fiction with settings in exotic locations. Adler is an expert in describing a place so that it comes alive, and in There's Something about St. Tropez, she writes a delicious send up of this luxurious tourist destination. The descriptions of food, wine, sunny beaches, and well-appointed hotels are so entrancing it almost doesn't matter what the story is about.
