Hi Team. I'm currently trying to get a Victa Powertorque 160cc engine running (possibly a VS160 series 400 or Series 500 2-stroke) and, due to spark issues stemming from a missing spark plug end and boot, I have swapped out the old MA05556A coil with a MA005599A coil from another powertorque motor (obviously and

older motor, but still an all-in-one block engine).
